

## Admissions Application Alternate Household Income Form

As part of the PEOPLE application, applicants are required to report free/reduce lunch status. **Priority is given to free and reduced lunch students, but low-income status IS NOT an eligibility requirement for the PEOPLE program.** Applicants typically submit income status via a Department of Public Instruction Scholarship Form (DPI Form) or grant permission for the school to share this information directly with the PEOPLE Program. This form may be used for an applicant to report household income if one of those reporting methods is not available. *Ex. Homeschooled students.*

If the student is admitted to PEOPLE and enrolls in the program, a DPI form will be required as part of the enrollment process.
