PEOPLE Overview

The University of Wisconsin – Madison's *Precollege Enrichment Opportunity Program for Learning Excellence* (PEOPLE) Program is a college prep scholarship program designed for low-income students, and/or students who will be the first in their families to earn a college degree.

Their journey **prepares them to be a viable college candidate, apply for admission to, and enroll at the University of Wisconsin System institutions**, with an emphasis on University of Wisconsin-Madison.

PEOPLE provides college prep services by providing programming and opportunities for growth in four areas;

- Build and Master Academic Knowledge
- Build Cognitive Skills and Strategies
- Build Self-Management Skills
- Build Knowledge about College through Experiential Learning

The PEOPLE Scholarship

It's important to note that completion of the precollege program **DOES NOT** guarantee admission to UW-Madison, nor does it guarantee the PEOPLE Scholarship.

If accepted to UW-Madison, students who choose to enroll *may be* eligible for a tuition scholarship for up to four years. The scholarship is only applicable to UW-Madison; and student must meet the PEOPLE scholarship requirements in place at the time of admission as determined by the UW Madison Registrar's Office. Scholarship eligibility requirements may change when PEOPLE policies and/or federal and state laws change. The PEOPLE Scholarship does not apply to online courses taken at UW Madison.
